Dear Ilian,

I am delighted to inform you that you have been selected as the recipient of the Academic Distinction Scholarship based on your outstanding academic achievement in the University Transfer Program (Stage II) for the Summer semester, 2024.

The Academic Distinction Scholarship is awarded each semester to five continuing FIC students who achieved the highest Semester Grade Point Average (SGPA) in the preceding semester.

Your scholarship will apply to the subjects you are taking in International Year One (UTP Stage II) in Computing Science at Fraser International College (FIC) commencing in the Fall semester, 2024. The scholarship amount will be credited to your FIC account.

I wish you all the best with your continued studies at FIC.

Yours sincerely,
